

Introduced by Senator Alarcon

February 23, 2006

An act relating to business.

LEGISLATIVE COUNSEL'S DIGEST

SB 1540, as introduced, Alarcon. Microenterprises.

Existing law encourages cities and counties to access microenterprise development in order to create new jobs and income opportunities of individuals for low and moderate income. Existing law encourages California communities and the public agencies that serve them to promote local partnerships that invest in microenterprise development.

This bill would declare the intent of the Legislature to bridge the digital divide between microenterprises and other business to facilitate enhanced communication and commerce.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to bridge the
- 2 digital divide between microenterprises and other businesses in
- 3 order to facilitate enhanced communication and commerce.

O
